SOME INFORMATION ABOUT BAND OF BROTHERS...

Band of Brothers is a 2001 American war drama miniseries based on historian Stephen E. Ambrose's 1992 non-fiction book of the same name. The executive producers were Steven Spielberg and Tom Hanks, who also collaborated on the 1998 World War II film Saving Private Ryan and the 2010 World War II miniseries The Pacific. The episodes first started airing on HBO September 9, 2001. The series won Emmy and Golden Globe awards in 2001 for best miniseries.

The series dramatizes the history of "Easy" Company, 2nd Battalion, 506th Parachute Infantry Regiment, of the 101st Airborne Division, from jump training in the United States through its participation in major actions in Europe, up until Japan's capitulation and the end of World War II. The events are based on Ambrose's research and recorded interviews with Easy Company veterans

WHY I'VE CHOSEN THIS SERIES ?

I've chosen this series because it's one of my favorite series. First, without any doubt I can say that this is the best war reconstitution series in the world ! Inspired by true events and created by the famous Spielberg and Tom Hanks this is one of a kind. We can hear the real veterans speaking their own experience during the war and the scenes made by Spielberg to show precisely what happened in reality. Shot like if we are in the cruel reality of the war we can feel compassion for the characters. All the scenes from this movie are always more realistic, the soundtracks are also amazing. This is why we can say that Band of Brothers is a masterpiece !
