

CRITIC OF THE MOVIE : THE HOBBIT AN UNEXPECTED JOURNEY

Some informations about the hobbit 1...

The Hobbit: An Unexpected Journey is a 2012 epic fantasy adventure film directed by Sir Peter Jackson. It is the first installment in a three-part film adaptation based on the 1937 novel *The Hobbit* by J. R. R. Tolkien. It is followed by *The Desolation of Smaug* (2013) and *The Battle of the Five Armies* (2014), and together they act as a prequel to Jackson's *The Lord of the Rings* film trilogy. The film's screenplay was written by Peter Jackson, his longtime collaborators Fran Walsh and Philippa Boyens, and Guillermo del Toro, who was originally chosen to direct the film before leaving the project in 2010.

Once upon a time, the Kingdom of Erebor in the Lonely Mountain was taken from the dwarfs by the evil dragon Smaug. One day, the young Hobbit Bilbo Baggins is unexpectedly visited by the wizard Gandalf the Grey and twelve homeless dwarfs led by their former king Thorin and decided to vanquish Smaug and recover Erebor and their treasure. Bilbo joins the company in an unexpected journey through dangerous lands of the Middle-Earth where they have to fight against Trolls, Orcs and other magic creatures. Bilbo also meets the Gollum and finds his lost magic ring.

Why I've chosen this movie ?

I've chosen this movie because it's one of my favorite movies . Since I've watched the trilogy of the Lord of the rings who is also very good and adaptation from the books written by J.R.R Tolkien I've waited so many times to see another movie like that. When I finally went to see this movie i couldn't guess that it would be even better than the previous ones. This movie is a masterpiece and the best movie in its genre I've never watched before. I've watched it so many times that I can't count anymore. The story, the characters, the soundtracks are beautiful and even the landscape (shot in New Zealand). All these elements made me choose this movie.

Why I recommend it ?

This movie is a masterpiece by its atmosphere out of nowhere. Even if its history and its genre can scare it is an essential film to watch for me. This is why I highly recommend this movie because I know that you can't be disappointed.
